

## **Descendants of John Dunn Missing Information**

*As of June 1, 2011*

We are entering the final phases of compiling the Descendants of John & Margaret (Rohan) Dunn Genealogy, but still have some loose ends to address. We would like the first 5 generations of the family to be as complete as possible in the book when it is published. If you could help us with any of the following issues we would be most appreciative.

Please contact Thomas Langdon at [tom@langdon-gate.com](mailto:tom@langdon-gate.com) or Regina Woltmann at [rtwoltmann@yahoo.com](mailto:rtwoltmann@yahoo.com) if you can assist us with any of these items, or if you have contact information for individuals who may be able to assist us. Also, if you have stories about other family members that would be appropriate to include in the publication, we would like to hear from you as well. We hope to have biographical sketches that capture the unique character of each family member for the first 5 generations.

Missing information for the fifth generation will be disclosed in a separate file.
